November 27, 2023: Biodiesel Webinar

December 7, 2023: 29th Annual Stakeholder Meeting

Transportation & Innovation Expo

A sustainable transportation, infrastructure, technology and fleet vehicle conference and expo

Thank you to all of our co-hosts, sponsors, speakers, exhibitors, ride & drive participants and attendees for making the Transportation & Innovation Expo on October 11, 2023 in Madison a huge success.

We enjoyed spending time with all of you!

We had nearly 400 registrants for the 2023 T&I Expo!

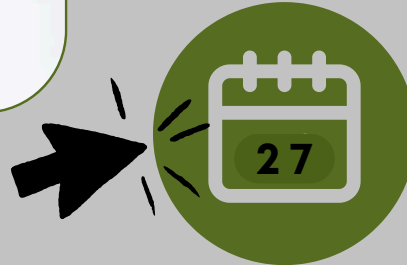

Congrats to our winner of the level 2 charger donated by Madison Gas & Electric!

Leveraging Today's Natural Gas Infrastructure for Tomorrow's Energy Systems

Meeting the demand for low-cost, low-carbon energy requires innovative solutions, but they must be supported by infrastructure to be effective.

GTI Energy's collaborative research effort, the Net-Zero Infrastructure Program (NZIP), was designed to help us understand how to evolve existing natural gas infrastructure to meet future energy needs.
